

## CITY

Hidden behind its understated design  
 are all the benefits of Airbath spa  
 massage hydrotherapy. The City is  
 designed for the compact bathroom,  
 offering a generous bathing area within  
 a limited space.

### Features

- Available in 4 sizes
- End tap platform & overflow\*
- 60cm waste to overflow distance
- Left- or right-side tap platform (1500mm model only)
- Underwater lights

\* Except 1500mm model, which is always supplied undrilled for tap holes (1500mm model will only support a 3 hole bath mixer – tap controls and spout must be placed opposite each other)
