

ARONA

Combining the benefits of an Airbath with the convenience of a shower, the Arona is the perfect solution for the bathroom where space is at a premium. A two-piece screen is supplied as standard, whilst the addition of a curved glass pivot door creates a fully enclosed showering area.

Left-hand model featured

Features

- Front panel
- Two piece shower screen (1500mm)
- Left- or right-hand model available
- 60cm waste to overflow distance
- Underwater lights
- Curved glass pivot door
